May 31st, 2020 - the origin of the ainu people in Japan is unknown although the word ainu means "human" it has to be stated that these people speak a language that resembles no other language on earth. The great majority of the Ainu live on Japan's second largest island, the Hokkaido, but they also inhabit the northern island of Hokkaido as well as the Kuril Islands and Sakhalin.

June 6th, 2020 - the same process occurs in the manifest world. The principle of love draws the two lovers together and impels them toward a mon goal in the lives of those who are less evolved spiritually. This primordial principle of love, kama, is accompanied by lust, vasana, which is why many actions are motivated by sensual cravings, attachment, and lust.
